

CARES: Before and After School Care

S.P.S. CARES Program: Children Are Receiving Extended Service

2021-2022

The Saint Patrick School CARES Program operates between 6:45 a.m. and 5:30 p.m. Plans are underway for a variety of school-year activities that will supplement the children's formal classroom experiences.

Indoor and outdoor activities, vigorous play, quiet study time, crafts and holiday celebrations are part of the CARES program agenda which fosters the physical, mental, emotional and social development of our students.

The CARES program fees are attached for students in Pre-K through grade eight. Balances are due on the tenth of each month for the prior month's services.

Any payment received after the due date will be assessed a 10 percent late fee.

I plan on utilizing the CARES Program this year .
