Alumni spotlight

Maggie (Burton) Connelly
SPS Class of 2004
(SPS student from 1997-2004)

Current job: 5th Grade Teacher at Saint Patrick School

Favorite SPS memory: I will never forget reaching my goal of 100 books in Mrs. Creason's class. When students reached their goal, Mrs. Creason would bake us each a cake.

She instilled in me a love for reading that I still have to this day - even though I don't get a cake for it anymore!

You may have known it as the Race for Education, but these days we call it Finnegan's Fun Run.

This is a fundraiser for technology with a goal, this year, of \$35,000.

We put on our own color run, with students running around the track and our fields, getting doused in powdered color along the way.

We invite all alumni to join us to watch (or let us know if you want to throw color) the afternoon of May 25.

If you'd like to donate to the cause, visit our website [here](#).

Check out our business directory featuring school families. We would be happy to list the businesses of alumni as well. Check out the directory link [here](#). If you would like to have your business included, fill out this [form](#).
